

# LAB PHASE: BUILD A PROJECT!

Final Project

AUG,2022

# Main idea

**CREATE A MEDICAL WEBSITE**  
**a website that contains information about a**  
**small clinic called "Medcity"**

# **Composition of the website:**

- .a navbar : home/services/staff/appointment/about us/Store.
- .a logo with the clinic name
- .a homepage ( 3 slides)
- .staff presentation(cards)
- .Services(cards)
- .Appointment form
- .a magazine store ( it contains a carousel)
- .a footer that contains some info and contact

# THANK YOU.
